

How to use G-Sonique Club Bank

G-Sonique Club Bank is a set of thematic sounds available as an one package. For use, you need free G-Sonique Club Player you can <u>download here</u>.

Installation guide

After you've downloaded your Club Bank from G-Sonique Club, you have to install it to your G-Sonique Club Player. In fact, there is no installation, you just copy the Club Bank into the Club Player instrument folder in your VST/AU directory. This way you can load any Club sound downloaded from Library.

Windows

- 1. Open the downloaded .zip archive file containing bank sounds
- Copy the whole content of archive (all .gsc files) into: {YOUR_VST_FOLDER}/G-Sonique Club Player.instruments/ Example: C:/Program Files/Steinberg/VstPlugins/G-Sonique Club Player.instruments/

OR

- 1. Right click on downloaded .zip archive file, select "Extract All..."
- Click "Browse.." and navigate into your G-Sonique Club Player instruments: {YOUR_VST_FOLDER}/G-Sonique Club Player.instruments/ Example:

C:/Program Files/Steinberg/VstPlugins/G-Sonique Club Player.instruments/

3. Click "Extract"
